Policy:

Grays Harbor College adheres to the system Placement Reciprocity policy (approved by Student Services Commission and the Instruction Commission Spring 2013) for all entering students:

1. A student who qualifies for a specific level of pre-college math, English, or reading, either through course completion or local skills assessment, will have that course placement level honored at another Washington CTC if the student so requests, even if the courses may not be exact equivalents.
2. A student who qualifies for entry into college-level math, English, or reading, either through course completion or local skills assessment, will be considered to have met the entry college-level standard at every community and technical college.
3. Students requesting reciprocity must initiate the process within one year of their initial placement assessment.
